

10. October 2013

For Immediate Press Release

InterContinental Budapest, joins the prestigious Green Globe organization in order to deepen its commitment towards the sustainability and the green initiatives. InterContinental Budapest has always been a pioneer on the Hungarian hotelier market in terms of its green commitment, and now it becomes the very first hotel in Hungary to receive the Green Certificate.

The Green Globe Certification provides certification, training & education, and marketing services in 83 countries worldwide. The Green Globe Certification Standard is based on internationally accepted criteria developed during the 15 years of the Green Globe program. Green Globe Certification is active in harmonizing with other established sustainability certification programs around the world. The process of harmonization contributes to maintaining core criteria and at the same time address regional issues through the adoption of locally developed standards.

InterContinental Budapest has reached the standards set by Green Globe and will begin its operation by “wearing” the Green Globe Certification badge under the watchful eyes of Green Globe. Receiving this certification is great evidence, that the hotel is following the right track which leads to the sustainable future.
